

M: But you know, I think probably the greatest majority of people probably prefer the shiny glaze. I don't! But...(laughs)

N: Yeah, it's not as realistic looking.

M: Uh, no, and it has so much, reflects all of the light so much and everything it's, uh, you can't see the sculpture nearly as well on a shiny piece.

N: Yeah, all of the detail and the muscling and everything.

M: Yeah, yeah, you know, it has all of, well, lets face it, unless it's something that just fell in a pond and climbed out (laughs) why, nothing is shiny like that. Not that shiny!

N: Right, that's true.
